Bidding Starts at 7:00 p.m.

Spanish Fork Fairgrounds

475 S Main Street Spanish Fork, Utah

Rich-J Ranch

From the time Richard Orton was a young boy he dreamed of owning a horse ranch. Shortly after marrying Janiel, Richard purchased his first quarter horse mare, Ginger Bar Babe. In 1975 he purchased his first race Horse, Leos Jazz. Leos Jazz ran extremely well and at the end of '75 he traded the gelding for an outstanding mare Pheobe Chant and stallion Three Winks and the horse division of Rich J Ranch was born. Our focus is buying outstanding stallions adding good mares and culling out any that didn't meet our expectations. Today there are mares five generations deep that have walked the pastures of Rich J Ranch and offspring are competing from coast to coast. In 2021 Richard was awarded the 50 year breeder award by AQHA, an award few members ever achieve. The Legacy lives on.

Welcome

For 37 years, Rich J Ranch has held the Annual Production Sale of quality Quarter Horses. Once again we will be offering our entire crop of foals. We put a priority on disposition and conformation with a little color thrown in, and the results speak for themselves.

Our breeding program has proven to be outstanding at all levels. Foals from past sales are buckle winners, saddle winners, USWRCA champions, State Champions, Jr High and High School State Finals Rodeo Qualifiers, USTRC money winners, AQHA World Qualifiers, Western States Rodeo Association Year End Champion, ACTRA National Finals qualifier and AAAT stakes winners. Multiple foals have gone on to be sold for 5 figures. Other foals are simply their owner's best friend.

As with every year the foals are born and raised in large pastures, with the opportunity to eat and drink as they please. They and their mothers are brought in from the pasture once to worm and vaccinate and then again the morning of the sale. We believe in letting our foals learn to be a horse.

Take a look and dream big. Pedigrees and conformation for every discipline are waiting for your consideration, no matter what your heart desires.

Thanks again for your interest and continued support, and please let us know if we can help you in any way.

Eyed Like Cash

Own a Cash and Win or get beat by one

Producer

Cash foals continue to write his history, and it gets more impressive every year. Cash offspring have earned almost \$250,000 roping alone in the past year, not including jackpots. At the highest levels of Rodeo. In addition Cash has sired multiple 1D barrel horses.

Statton's High School mare Eyed Like It Saucy aka Tiffany is taking Lilly Price to the pay window every week, in Breakaway. They are sitting good in the WCRA standings to go to the Womens World Finals in Fort Worth, and the WCRA North Carolina Championship. Sitting top 4 in the Southeast Circuit (PCA) Rodeo with Lilly leading Rookie of the year and Tiffany in the running for Horse of the Year. Qualified for the American Rodeo, Jr Patriot two years in row, won Western Sports Extreme Breakaway Roping, and the list goes on. The Smith family in Broken Bow, OK have a 2 year old full sister that is coming along nicely.

Rhylan Roundy and Rich J Cash N Gold aka Rio have won over \$160,000 this year including the World Series of Team Roping in Las Vegas.

It's no surprise then that Cash offspring continue to fetch top dollar as finished horses. This will be the cheapest time to buy a Cash foal.

Rich J Move N Quick

Producer

We think Counter Move was one of the best horses we ever owned. With his daughters getting older we've bred a couple of them to get our next stallions and keep the blood going. Quick is the result of our first attempt. He is a good looking, black stallion with an outstanding disposition and mind. His oldest foals are now being trained, we are impressed so far.

Pedigree

Sire: Be Real Quick SI-105 a multiple stakes winner and Las Alamos track record setting, he is the son of Royal Quick Dash. Be Real Quick has also sired multiple TAAA stake winners and 1D barrel horses.

Dam: Move N Quick's dam Run Candy is one of the last daughters of Counter Move. She is the dam of a number of outstanding rope horses. Next dam Runaway Candy is a TAAA/TAAA producer and Stakes producers.

Modern Day Rebel (AKA Joker)

In 2021 we spent a week in Texas and looked at over 1000 weanlings and yearlings looking for the next Stallion to add to the program. We were looking for a colt with bone and substance with a pedigree of winners at the top level. Joker was our selection, a beautiful Bay Roan. He has not disappointed us at all. Maturing into a 15 hand stallion with bone and substance yet athletic enough to be a cutting horse. We will be taking him this winter to start roping. We are excited to watch him develop and see his foals as they are born.

Pedigree

By Metallic Rebel NCHA futurity winner of over \$430,000. NCHA horse of the year and NCHA world champion stallion. He has also already produced an NCHA futurity champion and was leading freshman sire in 2017.

Jokers dam is CR Tuff Handle Lena, Joker is her first foal. Her full brother is a world champion versatility ranch horse. She is by Woody Be Tuff winner of over \$300,000 and sire of over \$12,000,000

Got Silver

Silver is a well muscled, good boned, athletic cutting bred Silver Bay stallion. Nice disposition. His sire is Chinky Silver, a cutting bred ranch horse, Silver is out of Pep and Rod an NCHA money earning daughter of Got Pep who was a finalist in the NCHA futurity.

Miss N Gun

Unfortunately old age caught up with Gunner this winter and we had to say farewell. A fabulous performer and sire. He was a Pro Barrel Horse, State Finals himself in Barrels and Poles UT and ID. He was also a nice Head Horse. He sired High School National Finals horses and was just a nice horse.

Pedigree

Sire: Miss N Gun NCHA Derby winner of \$124,000 and sire of over \$4.5 million
